To Whom it May Concern,

I'm having difficulty with my attorney, basically we do not share the same view as to how best to defend my case. I've come to realize we're going in opposite directions, I've lost all confidence in his ability to meet even the minimal amount to help present my best interest to the court.

For this reason, I'm asking to have a different attorney, perhaps one who is in fact able to hear me, fight for my defense, and objective.

Thank you for your time and consideration.

Respectfully Submitted,

Andres GONZALEZ.vicencio
